**Offering a rare look at the inner workings of the American child welfare system, *Tough Love* chronicles the lives of two parents—one in Seattle and one in New York City—as each fights to be reunited with children taken out of their homes. Through intimate, verité footage of both families, we witness first-hand the complex bureaucracy of America’s child welfare system. Moreover, we come to understand the powerful role poverty and prejudice play in keeping parents and children apart—and the challenges parents must overcome in order to put their families back together.**
