

## Sara A. Reed Children's Center Description:

For more than 140 years, the Sarah A. Reed Children's Center has been known and respected for high quality treatment of traumatized and "at risk" children throughout Erie County, the state of Pennsylvania, and beyond. We offer a full continuum of care for children and families. We are committed to creating a safe, therapeutic and healing environment to promote positive changes, resiliency and success. Our entire

organization, from direct care to administration has committed to adopting the Sanctuary Model® of trauma informed care.

**Description:** Licensed Mental Health Professional

**Overview:** The Mental Health Professional assists children, families, and those involved in the child's care & education to develop competencies in domains critical to the child's academic and emotional success. This position conducts psychotherapy with client and family at both in-school and home settings, develops and evaluates treatment plan, documents progress, and coordinates as part of the CSBBH treatment team under the supervision of the Psychologist. Additionally, the Mental Health Professional provides family support to promote social development, academic engagement and emotional regulation of the child. Other responsibilities include providing structured therapy to clients and family in schools and homes, crisis intervention therapy during evening and weekend on-call period, and attending in-services and required trainings.

**Work Hours:** 37.5 hours/week; Availability from 8:00a.m.-6:00p.m. 7 days/week, with On-Call availability 6:00p.m.-8:00a.m.

**Benefits:** Competitive salary; Health, Dental, Life Insurance, 401k Plan, Long- and Short-Term Disability Coverage, Paid Leave, Premium Holiday Pay, Employee Assistance Program.

---

**Qualifications & Requirements:** Master's degree in Psychology, Social Work or related field and current state licensure: LPC, LCSW, LMFT or Psychologist. Minimum of 2 years of experience with children/adolescent's in behavioral or mental health. 21 years of age or older; Ability to obtain clean clearance for FBI Fingerprints, Child Abuse, and PA Criminal History; Official transcripts and diploma to verify educational level. EOE
